NEXUS desk

The NEXUS desk's organic form transforms it into a true work of art while retaining its practical function. Get enchanted by the lithe lines, careful selection of materials, and incredible precision of implementation. The original sculpted base supporting a simple desktop and eye-catching yet minimalistic drawers come together to charm even the most demanding users.

Project: Cyryl Zakrzewski (2021)

Materials: birch plywood or panguaneta® poplar plywood

Finish: crystal clear epoxy resin, lacquer or oil
each piece is sculpted by hand and carefully finished.

Materials, finish and dimensions can be different and adjusted upon request.
