## LOCO table

Can serve both as a low coffee table for a leisure set, a tall dining table for 4 to 6 people, or a comfortable work desk. It's simple, light, and stable. Made of oak wood and hardwood plywood finished with an oaken veneer. Will add character to any interior. Thanks to its multifunctionality and adjustable dimensions it can be used in an arrangement in even the most unusual spaces.

Materials: oiled ash wood, stainless steel
