NEXUS table

The NEXUS table is a fusion of modern style, original design and functionality. The tabletop provokes the user with its perfect workspace, while the base is actually a meticulously detailed sculpture. organic in its form, allows the light to create a new shape each time you look at it from a different point of view.

Project: Cyryl Zakrzewski (2021)

Materials: birch plywood or panguaneta® poplar plywood Finish: crystal clear Epoxy resin, Lacquer or oil

Each piece is sculpted by hand and carefully finished. Materials, finish and dimensions can be different and adjusted upon request.
